### **LEGO *Star Wars*™ takes over LEGOLAND Deutschland Resort – intergalactic Events in May and June**

Günzburg, 18 May 2017 – It is all about LEGO *Star Wars* in LEGOLAND Deutschland in May and June. The in Bavaria-located family theme park offers in addition to the LEGO *Star Wars* model display in the MINILAND two Events which are just the thing for all fans of Luke Skywalker and Co. One of a kind experiences are guaranteed: building-activities, hands-on activities, parades, and shows about the *Star Wars* world and even an original *Star Wars* actor take the guests into the world of the popular science-fiction movies on the LEGO *Star Wars* days from 15 to 18 June. There is already a big building activity to get in the mood in May: The villain Jabba the Hutt will be created out of LEGO bricks in only four days.

The LEGO *Star Wars* model display will finally come to life again at the LEGO *Star Wars* Days on June 15 to 18. Additionally to the LEGO *Star Wars* model display with detailed recreations of movie scenes you can experience an unforgettable adventure with interactive hands-on activities, building activities, LEGO Fanworld displays and many shows, parades and lightsaber demonstrations. Stormtrooper and other costumed fan groups take over the LEGOLAND Deutschland and will make the dreams of young and old *Star Wars* fans come true. The actors from Jedi Academy Cham show their lightsaber skills at the LEGO Arena and in the park several times daily and recreate thrilling duels between Jedi and Sith. Even an original *Star Wars* actor will be there and sign autographs. The daily autograph session takes place at the LEGO Arena daily at 11 am and 1:30 pm.

The LEGO Studios show a *Star Wars* movie special with exciting and funny LEGO *Star Wars* movies daily from 12 midday in two hourly intervals. Equally popular among parents and children are the LEGO building activities: In addition to a mosaic, a big and three-dimensional model of Jedi Master Yoda will be created.

Young and old fans should not miss out the parade of different costumed fan groups through the park on Thursday and Saturday. Starting at 3:30 pm. More than 200 members in true to the original costumes march around the MINILAND. Not only different Stormtrooper but also Jedis, Darth Vader and many more take part. A LEGO model developer provides insights in his work and tells you in the Mindstorms Centre, how the popular LEGO *Star Wars* sets are created. This will take part on Saturday and Sunday (1 pm, 3 pm and 5 pm). Additionally you can win intergalactic prizes.

The guests can get in the mood of the galactic spectacle already in May at the great LEGO *Star Wars* building activity. The famous villain Jabba the Hutt will be built. The

guests will have four days to finish the three metres long and 2.5 metres high model, which consists of almost 600,000 standard LEGO bricks. You can marvel at the work of art at the entrance area of the theme park until the LEGO *Star Wars* Days.
