**Juice**

Burkhardt fruit juices: enjoy a piece of nature.

Rarely nature and progress were so close together as in a bottle of Burkhardt. Juice is not just juice! But you can be sure that in a bottle of Burkhardt there is more in for you: more quality as a matter of principle, more nature of conviction, more taste from diversity and more know-how from tradition.
Günzburger Radbrauerei:
Local beers with unique taste and outstanding quality!

The traditional brewery has been owned by the Bucher family for many generations and offers a modern range of beer specialties, which convince from the first sip. Günzburg's only brewery is known and appreciated especially for its wheat beer. The art of brewing characteristic beers is the combination of craftsmanship, passion, attention to detail and modern brewing techniques.

Dear guests!

With passion and joy we have created a varied and high quality selection of wines for you in collaboration with a lacy sommelier.

In our wine list you’ll find in addition to many delicious wines from German wine-growing areas and a lot of top wines from the classic European wine-producing countries, such as Austria, Italy and Spain. A selection of oversea wines are also added to our assortment.

To help you make your choice, we have added some brief information about individual wineries as well as to the wines. Surely you can find one or the other delicious drop that corresponds to your taste and beautifies your day or evening.

We are here to serve you and wish you an enjoyable stay.

Who knows how to enjoy, doesn’t drink wine, but costs secrets.

**Bodegas Marques de Murrieta: One of the best wineries in Rioja**

One of the few large wineries in Spain, where the wines are made exclusively from own grapes. The secret of this wine lies in the preservation of the best of traditional methods with the skilful combination of modern winemaking technology. Their gently pressed wines are made with optimum color and flavor but without aggressive tannins.

ITALY

Cusumano Winery: aromatic wines - ripened under the sun of Sicily

The wines of Cusumano are known all over the world and have found many lovers. They are undoubtedly one of the best that Sicily has to offer - wines with heady fruit flavors, incredible wealth, and with a distinctive personality. (...) Wines that combine a clear reference to their terroir with a distinctive profile." Gambero Rosso 2011
