Did you know that already many hundred years ago in the royal castle many fabulous parties were celebrated and the guests dined with delicious food and drinks? The lords were always very hospitable and offered their guests only the finest and best food and drinks.

On our menu you will find many traditional dishes which we found in an old “royal recipe book”. Our castle chefs cooked them and refined the traditional dishes for you. As a special service we have highlighted these dishes for you on our menu. Follow the knight figure with the coat of arms and discover the truly royal food.

We wish all maidens and knights, princesses and princes, kings and queens a good appetite, a great stay and a lot of exciting adventures at LEGOLAND®.
